Our technicians always report in with your receptionist before entering your premises to confirm the job order. They strive to prevent undue interruption to your office environment. Fast and efficient service is guaranteed. AAA Security Shredding can process up to 6,000 lbs. of material per hour at your site.

Your locked confidential information will be collected from our complimentary collection of containers, files or boxes. All labor to shred and dispose of material is included in our fixed price services. Under lock and key, the technicians proceed immediately to the mobile shredder outside, never leaving your material unattended.
